## Liberate America From Socialism -- Elect Conservative Leadership

“As nightfall does not come all at once, neither does oppression. In both instances there is a twilight when everything remains seemingly unchanged. And it is in such a twilight that we all must be most aware of change in the air - however slight - lest we become unwittingly victims of the darkness.”

~ William O. Douglas (1898 - 1980)  
Supreme Court Justice

## Wise Advice from Our Great Leaders

“Our Constitution is designed only for a moral and religious people. It is wholly inadequate for any other.”  
~ John Adams (1735 - 1826) US diplomat & politician

“All that is necessary for the triumph of evil is that good men do nothing.”  
~ Edmund Burke (1729 - 1797)  
Irish orator, philosopher, & politician

“Those who would give up essential liberty to purchase a little temporary safety deserve neither liberty nor safety.”  
~ Benjamin Franklin (1706 - 1790)  
US diplomat, inventor, & printer

## Defend Our Republic & American Values

“Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free.”

“You and I have a rendezvous with destiny. We will preserve for our children this, the last best hope of man on earth, or we will sentence them to take the first step into a thousand years of darkness.....”

“I don't believe in a government that protects us from ourselves.....”

“I know in my heart that man is good. That what is right will always eventually triumph. And there's purpose and worth to each and every life.”

~ Ronald Reagan (1911 - 2004)  
40th President of the United States

## Help Protect American Values and Founding Principles

“The liberties of our country, the freedom of our civil Constitution, are worth defending at all hazards; and it is our duty to defend them against all attacks. We have received them as a fair inheritance from our worthy ancestors: they purchased them for us with toil and danger and expense of treasure and blood, and transmitted them to us with care and diligence. It will bring an everlasting mark of infamy on the present generation, enlightened as it is, if we should suffer them to be wrested from us by violence without a struggle, or to be cheated out of them by the artifices of false and designing men.”

~ Samuel Adams (1722 - 1803)  
Founder of the American Revolution

## Our Republic is Under Assault by the Liberal Democratic Socialist Agenda

AMERICAN VALUES & LIBERTY ARE BEING UNDERMINED BY SOCIALIST "CHANGE."

**CHANGE WE DID NOT VOTE FOR**

AMERICA's economic prosperity is intentionally being DESTROYED by DEMOCRATIC SOCIALIST policies of wealth redistribution and higher taxes linked to bail-outs and "big government" programs. This tyranny will leave future generations bankrupt, our living standards gutted, and American liberty a faded memory.

LIBERALS want AMNESTY for illegal aliens invading U.S. borders, despite the grave economic & cultural burdens imposed on American society. These illegals will become 12 million new voters in the 2012 elections.

SOCIALIZED MEDICINE is being dictated by DEMOCRATS. This will result in low-quality care, with rationing & denial of services, and federal bureaucrats making health care decisions for patients. SOCIALIZED MEDICINE has been a FAILURE in England & Canada.

MILITARY SPENDING CUTS and nuclear arsenal reductions are being undertaken by DEMOCRATS which endanger our national security and leave us and our allies vulnerable to attacks by our adversaries.

SOCIALISM AIMS to DISARM AMERICAN CITIZENS. Our second amendment right to keep & bear arms is opposed by LIBERAL politicians.

Respect for human life and for our moral civil society is opposed by LIBERAL SOCIALISTS who openly promote abortion & homosexual marriage. Hostile tax policies punish churches, charities, and the faithful.

OUR K-16 EDUCATION SYSTEM is being SUBVERTED by LIBERAL "social justice" indoctrination of students in anti-Americanism, acceptance of homosexuality, and the MARXIST ideological dogma of wealth redistribution.
